NOTICE

The Wayne County-Hanksville Class IVb has submitted a permit renewal application for the operation of its Class IVb landfill, which is located approximately three miles east of Hanksville, to the Division of Solid and Hazardous Waste (Division) to review. The landfill may accept only nonhazardous construction/demolition waste, yard waste, inert waste, dead animals, waste tires, and contaminated soils as allowed under R315-315-8(3), Utah Administrative Code (UAC).

The Division reviewed the application, determined it complete, and prepared a draft permit. The 30-day public comment period on the draft permit and application was published in the *Salt Lake Tribune*, *Deseret News*, and *The Wayne County Insider* on May 31, 2007. No comments were received and the permit was granted on August 15, 2007.
